

November 2024

Interfaith Outreach Second Collection

It's time once again to renew our focus on caring for the "least" of our brothers and sisters, right here in our own community. Interfaith Outreach has their annual Sleep Out to raise awareness and funds and will begin Nov. 12.

Holy Name of Jesus will take up a second collection for Interfaith Outreach on Nov. 23-24, to support their efforts. **Please write checks out to HNOJ with IOCP in the memo.** You can go to hnoj.org/interfaith2ndcollection to learn more.

If you and your family have been blessed, please consider sharing those blessings with the poor and homeless among us. After all, as Jesus says in that passage from Matthew: "...whatever you did for one of these least brothers of mine, you did for me."

Interfaith Outreach Reports:

The Sleep Out has prevented homelessness or eviction more than 36,000 times in its 29-year history - including 511 times last year (Fiscal Year 2024: April 1, 2023 - March 31, 2024). In that time, we supported 1,658 households in total; 373 were new to our organization.

MEETING BASIC NEEDS IN OUR COMMUNITY:

Our 2023 research showed that about 1,400 households in our service area have immediate needs, meaning they lack one or more basic needs such as food, clothing or shelter.

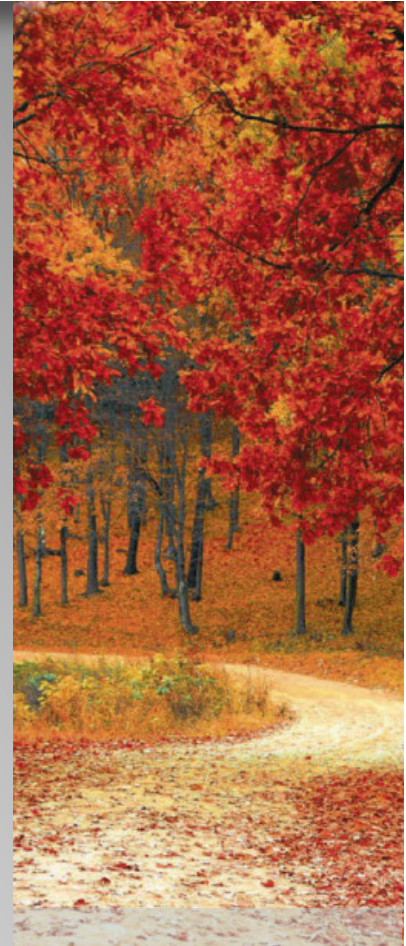

Another 1,000 households are at risk of needing IOCP's services due to their financial state. These households may be just one illness, job loss or other emergency away from experiencing crisis.

Perhaps the most notable signal of increased need in our community occurred in the food shelf, where the number of participating households rose about 16.5% from the previous fiscal year.

With your help, we were able to respond to the community's needs:

- Our food shelf distributed 825,604 pounds of food and goods to 1,036 households. We also expanded evening hours to make the food shelf more accessible.
- Our Resale Select thrift store continued to make specific items available to clients free of charge. In Fiscal Year 2024, 299 households were provided with basic needs items - such as winter coats or new socks and undergarments.
- To improve clients' experience from the very beginning of their IOCP journey, we began making changes to our intake process. This included shortening response times, standardizing workflows and adding multilingual staff to our Client Intake and Referrals team.

EQUIPPING INDIVIDUALS AND FAMILIES FOR ONGOING STABILITY: IOCP offers integrated services and programs that, true to our mission, equip households for ongoing stability.

- Permanent Supportive Housing (PSH) made it possible for 22 participating households to secure or maintain stable housing - a major step toward achieving ongoing stability.
- Our Neighborhood Program is available to 777 households across nine affordable apartment and townhome communities. Nearly half of these households engaged with our onsite staff to focus on resource navigation, community building, and youth engagement opportunities.
- Our Caring for Kids (CfK) program served 84 local children and their families, spending a total of \$672,902 on childcare or early childhood education scholarships. We estimate the actual need in our community to be four times that number.

Thank you for your generous support of our neighbors in need!

Stewardship Invitation for the 2025 Calendar Year Called to Communion

As we journey together in faith, we are Called to Communion with The Lord and with one another. I encourage you to reflect on how you might deepen your relationship with God and our parish family. Your participation – whether through prayer, sharing your time or contributing your resources – can truly enrich our collective mission to Know the heart of Christ, See the face of Christ and Be the hands of Christ.

How is The Lord Calling you to Communion? Have you felt a nudge to get involved more deeply in your faith? In the midst of our busy lives, Jesus is always there, inviting us to call on Him. This relationship is the most important one we'll form in our earthly life, and when we put God first, generosity flows naturally.

Every gift, no matter the size, helps us grow in love and service. If you haven't yet returned your commitment form, please consider doing so by Nov. 30. You can also submit it online at hnoj.org/stewardship2024 and set up weekly or monthly gifts through our secure platform at hnoj.org/give. If you've already submitted yours, thank you! Your commitment remains confidential and greatly aids our planning for the year ahead.

You are an essential part of what makes Holy Name of Jesus a vibrant parish family. Thank you for living out our mission as disciples of Christ.

6:30-7 p.m.	Dinner in Emmaus Rooms
7-8 p.m.	Talk, discussion in Emmaus Rooms

Questions? Please contact Chris at ckostelc@hnoj.org.

Science and Religion Speaker Series

Are science and religion diametrically opposed forces? Can people of faith also follow the evidence of science? Is it possible or right to "believe" in science?

In November, HNOJ is going to tackle these questions and more in a three-part series - Science and Religion.

At each session a presenter from a field of the natural sciences will present a brief talk. Then a panelist of experts discuss the session's topic. The night will conclude with a period of questions and answers from those in attendance.

We will be addressing the intersection of science and religion within topics such as AI, cosmology, medicine, miracles, evolution, the Eucharist and more.

Mark your calendars for 7-8:30 p.m. on Nov. 12, 19 and 26. More information coming soon!

Topics

Nov. 12 - AI for Catholics with Ian Sherman

What does a practicing Catholic need to know about Artificial Intelligence? More than you might expect. Ian Sherman presents on AI, faith and what we as Catholics need to know when it comes to this kind of technology.

Nov. 19 - Science and the Shroud with Jon Hickman

The Shroud of Turin has been in and out of the popular imagination for many years. Is it real? What can we believe to be true about it? Jon Hickman will use the shroud as an entry point into a conversation about the relationship between science and religion.

Nov. 26 - Medicine and Belief with Dr. Jessica Jarnot

In a culture where it seems like people put more faith in science and medicine than they do in religion and God, how is a Catholic to understand medicine, health, life and death? What considerations come into play when someone gets a life changing or terminal diagnosis? Where is God in the people's lives when facing significant medical treatment? These questions and more will be discussed by Dr. Jess Jarnot at session three of our series.

There is no cost to attend. Please register online at hnoj.org/science

The Marriage in Christ seminar invites couples to renew their love and affection for each other and the Lord, to deepen their unity as a couple and to celebrate the presence of God in ordinary life. God, our Father, desires to renew marriage through the power of the Holy Spirit. Let Him begin with yours!

Welcome Claudia

Help us give a big welcome to our new team member, Claudia Rabaey! Claudia is our new Ministry and Parish Administrative Associate.

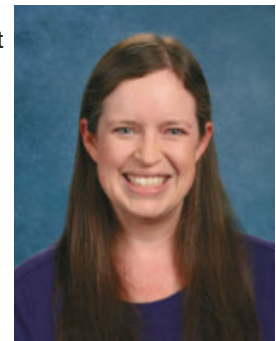

Here's a little bit more about her: Claudia grew up in Minneota, MN on a family farm. She graduated from the University of Mary in 2021 with a degree in Social Work. After college, Claudia served two years of mission in Benque Viejo, Belize with SOLT teaching at the local Catholic high school. Upon returning to the States, Claudia worked as a case manager helping to coordinate services for people with disabilities. Claudia is excited to be a part of the HNOJ community!

Welcome Laurie

We are very excited to welcome Laurie Lucking to the music ministry team! Laurie is our new part-time music ministry admin. You've seen her in our HNOJ choir, as a cantor, part of the nursery staff and an HNOJ school mom.

Laurie Lucking grew up near Madison, Wisconsin, where she joined her church's music program as soon as she was old enough to sing in the children's choir. She first came to Minnesota to earn her bachelor's degree in English and Economics at St. Olaf College, then her J.D. at the University of Minnesota Law School. In her eight years as a parishioner at Holy Name of Jesus, Laurie has been involved as a choir member, cantor, MOPS / MomCo leader and nursery assistant. Now as the Music Ministry Admin, she looks forward to getting to know more HNOJ staff and parishioners while supporting our beautiful liturgies through music! In addition to singing, Laurie enjoys reading, writing and adventuring with her husband and four kids.
