## A New Year, a Year of Jubilee

By Jennifer Wendt, Coordinator of Elementary Faith Formation

Similar to the ancient Jewish custom of recognizing every 50th year as a point of reconciliation and forgiveness, the Catholic church has declared that a Jubilee year occur every 25 years. At the closing of the 2000 Jubilee celebration, Pope John Paul II directly addressed the children, "Dear friends, you who are children and young people today will tomorrow form the *first generation of adult Christians* in the third millennium. What a great responsibility you have! You will be the leading players at the *next Jubilee* in 2025." Having been the start of the century and the dawn of the new millennium, it was easy to look with hope towards the future yet to be created. As the Pope said at his closing address, "it is especially necessary for us to direct our thoughts to the future which lies before us. Often during these months we have looked towards the new millennium which is beginning, as we lived this Jubilee not only as a *remembrance of the past*, but also as a *prophecy of the future*."

The commencement of the event is marked by the opening of the Holy Door at St. Peter's Basilica on Christmas Eve, and people from all over the world are encouraged to partake in a pilgrimage to one of the many holy sites designated by the Holy See, especially appropriate considering the theme of the year is Pilgrims of Hope. For most people, the concepts of reconciliation and forgiveness are most often associated with one's interior disposition and connection with God. But hope, especially in this context, is by its nature expansive and forward facing. Even the act of throwing wide the Holy Doors symbolize the openness and generosity of heart - summarized in the theological virtues of faith, hope and charity - in which we are to approach our neighbor and our life in Christ. Spread like the welcoming arms of Jesus, the doors stretch forth as the church calls out to its pilgrim children.

At the onset of this year, I challenge you to contemplate where you have fallen short in love. Where has your heart strayed from the path?

There is a multitude of Biblical evidence that wandering in the wilderness is part of the human condition. As *pilgrims in a strange land*, we either seek the way home or we aimlessly walk the desert. We all have a sense that we belong somewhere else, but intentionally or not, choose to take the convoluted route on our way back home. Thankfully, the Church has provided a map for our journey and help along the way. With hope for a grand homecoming, look forward into the horizon, and take the Lord's hand as you follow the guideposts along the straight path into our Heavenly Father's open arms. I'll be walking by your side..

## Support Life Sunday, Jan. 12

Sunday, Jan. 12, will be *Support Life Sunday*, sponsored by HNOJ's A Community Caring for Life (ACCL). Come hungry for a fresh, warm cinnamon roll after the morning Masses! **Please note that this Sunday hospitality will be replacing our annual Baking for Babies event.** There are still opportunities for volunteers to bake, frost and serve the rolls. There will not, however, be packaged rolls available to take home. Our cinnamon roll event has historically been our biggest fundraiser of the year, and we are hoping to find the same generosity this year. All free-will donations can be made in cash, check or credit card, and will be split between Elevate Life and Pro-Life Across America. We still need volunteers for cinnamon rolls! Please consider signing up for a shift at [hnoj.org/SupportLifeSunday](http://hnoj.org/SupportLifeSunday)

**Elevate Life** is a life-affirming nonprofit organization that supports women and families by assisting more than 40 affiliated Pregnancy Resource Centers (PRCs) and clinics in Minnesota and Wisconsin. Elevate Life provides the network and training to the clinic directors and medical staff that contributes to elevating care standards for the communities they serve. HNOJ has worked directly with Southwest Options for Women and Abria, both of which are affiliate PRCs. For more information, see [elevatelifeusa.org](http://elevatelifeusa.org).

**Pro-Life Across America**, also known as "the billboard people," is a non-profit, non-political organization dedicated to changing hearts and saving babies' lives. They focus on bringing positive, persuasive messages through billboards, radio, print and online ads. Their efforts offer information and alternatives to abortion, and provide post-abortion assistance to those in need. Their impact is demonstrated by a quotation on their website from a woman in Minneapolis as she says, "I just had to call you and tell you that three and a half years ago I was planning to have an abortion when I passed by one of your Billboards. I took a picture of it and started to cry. That was then. Today I'm driving to church with my little girl and I spotted one of your Billboards and I just had to call and say 'Thank You! Thank You!'" For more information, see [prolifeacrossamerica.org](http://prolifeacrossamerica.org).

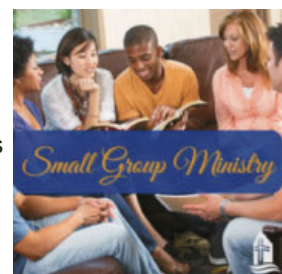

## Save the Date for Our Lenten Mission

HNOJ is excited to announce we will be hosting a Lenten Parish Mission March 26 and 27 with Dr. Ed Sri. Dr. Edward Sri is a theologian, author and well-known Catholic speaker who presents to tens of thousands of people from around the world each year, including clergy, parish leaders, catechists and laity. He is a founding leader with Curtis Martin of FOCUS (Fellowship of Catholic University Students), where he currently serves as Sr. Vice President of Apostolic Outreach. He holds a doctorate from the Pontifical University of St. Thomas Aquinas in Rome and is an adjunct professor at the Augustine Institute. He and his wife, Elizabeth, reside in Littleton, Colorado. They are blessed with eight children and one grandchild. Mark your calendars now and invite your friends to this exciting opportunity to grow in faith this Lent.

## Lenten Small Groups - Sign Up Coming Soon!

Last year, Holy Name of Jesus started 40 new small groups comprised of nearly 70 leaders and 370 participants! This year we continue to grow our groups and will be focused on content that comes from the book "Jesus and the Jewish Roots of the Eucharist." Our staff is hard at work writing a customized curriculum and producing professional quality videos that will encapsulate this book in six weeks of meetings. Stay tuned for more information!

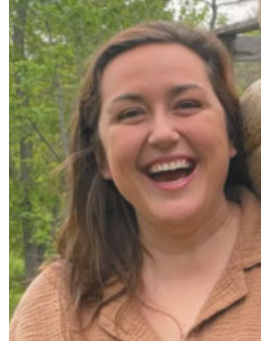

## News from Eve Anders

Dear HNOJ Families,

It is with a bittersweet heart that I write to inform you that I will be departing from Holy Name of Jesus as the Coordinator of Senior High Youth Ministry at the end of May 2025. I am honored and blessed to have served the HNOJ community over the last couple of years and have found a home here!

## Adoration of the Blessed Sacrament

At Holy Name of Jesus, we offer Adoration of the Blessed Sacrament Mondays, Tuesdays and Thursdays from 8:30 a.m.- 9 p.m.

Eucharistic Adoration is an opportunity to find an oasis of peace in the midst of a hectic world, an opportunity for silence in the midst of ceaseless noise, an opportunity for reflection in the midst of never-ending tasks of daily life. Most of all, it is an opportunity to spend time with Jesus, and to get to know Him as a friend, a friend who delights simply in time spent with those He loves.

God wants to be close to us. The Eucharist is the miracle of this closeness in our lives. The goal of Adoration is to help us appreciate this miracle in a deeper way, so that we enter more deeply into the wonder of the Mass, and allow it to transform our lives.

**You can sign up for a Holy Hour each week or just come and pray when we have Adoration in the Chapel.**

For questions or to sign up, please go online to [hnoj.org/adoration](http://hnoj.org/adoration).

## Ascension Outreach Weekend, Feb. 1-2

We are excited to announce the Ascension Outreach Weekend at Holy Name of Jesus, taking place the weekend of Feb. 1-2. As many of you know, Holy Name of Jesus Catholic Church and Ascension Catholic School have had a long-standing partnership, working together to support the educational and spiritual growth of scholars in North Minneapolis.

Ascension serves children from local neighborhoods, many of whom come from low-income families and qualify for free or reduced lunch. Despite starting behind academically, Ascension scholars experience significant growth thanks to personalized, data-driven instruction and a holistic, caring approach that nurtures their academic, spiritual and emotional development. This success is reflected in Ascension's remarkable achievement: a 98% high school graduation rate over the past eight years, with many students going on to pursue higher education.

During the Ascension Outreach Weekend, we will celebrate and support the continued success of Ascension's mission, strengthening the partnership between our communities. Stay tuned for more details on how you can get involved and make a difference! For more information, please feel free to learn more at [hnoj.org/ascension](http://hnoj.org/ascension)

## Beware of Scams

It has come to our attention that there are phishing scams circulating, attempting to exploit the trust and generosity within our community. Please be vigilant and cautious when receiving any emails, messages, or requests that seem suspicious or unfamiliar, especially those seeking personal information or financial contributions. Always remember that Fr. Wratkowski, Fr. Chris Yanta and anyone else from the parish office or school will never email you asking for money, gift cards, social security number or other personal information.

**Here are a few tips to ensure your online security:**

**Nothing is urgent:** Phishing emails like to make you feel like you have to act now. Don't fall for it, nothing in an email or text is urgent. You have plenty of time to follow all the tips below.

**Check the sender's email address closely:** All parish employees' emails end with @hnoj.org. If the email address is for example pastortim@gmail it is not from HNOJ and not to be trusted. Email addresses can be one letter off as well, such as generalmills instead of generalmills. They are tricky!

**Do NOT click links:** The 'bad guys' have learned to create real looking emails and even websites, making it hard to decipher if this one is really from your bank or from a bad guy. Make it a habit to go to the website directly. If it says click here for your account information, go to a website as you normally would and log in. If it states click here to donate to HNOJ, go to hnoj.org/give instead.

**Cross-check requests:** Call the church office or business to verify authenticity of an email request. If you were not expecting an email with an attachment from your friend or colleague, give them a call to see if they sent it.

**Update Security Software:** Ensure your computer and devices have up-to-date antivirus/anti-malware software and software updates to provide an additional layer of protection.

**What to do if you suspect an email or text is pretending to be from Holy Name of Jesus:**

- Forward the email or a screenshot of the text to Michelle Hudlow, mhudlow@hnoj.org so we can be aware and act accordingly.
- You can report it to the FTC by going to their website, ftc.gov, and click on report fraud. While you are there you can sign up for their consumer alerts to be in the know about new scams.
- In your email software, mark it as junk. This should also send feedback to your mail server so they can be aware.
- Most importantly, do not respond or reply – just delete it.

Your safety and security are of the utmost importance to us. If you ever have concerns or questions about the legitimacy of any communication purportedly from Holy Name of Jesus, please do not hesitate to contact our parish office directly.
